

Clip and Earn Free Merchandise for the Media Center

Step 1: Clip

- Clip and save UPC's and beverage caps from participating products. Remember to cut out the point value and UPC, see example below. For a list of participating products you can go to <http://www.labels4education.com/earn/participating-products.aspx>.

Step 2: Send In

- Send in the UPCs and beverage caps with your child. Put them in a baggie or envelope that is marked with your child's grade level and teacher's name.

Step 3: Earn FREE Educational Merchandise for the Media Center

- We earn points for the label and bottle caps we submit. Our school will redeem the points for FREE merchandise such as computers, software or reference books, from the Campbell's *Labels for Education* catalog.

Step 4: Keep Collecting and Win Prizes

- Ask your friends and family members to save UPC's and caps for you. You can also earn additional points for our school with the e-labels for education program. Register your shopper card by clicking [here](#).
- **The class in each grade level that collects the most labels and caps will be awarded a prize or party at the end of each nine weeks.**

If you have any questions about our Campbell's *Labels for Education* collection drive, please contact me at 770-605-4644 or via email at cush4uf@bellsouth.net.

Sincerely,
Tammy Cush
PTA Campbell's Soup Chairperson
